Report Card of *Jackie Walker*

Division *X* Grade *I* School Year *1931-32*

### TO PARENTS OR GUARDIANS

1. This Report deals with the status of the pupil on two important sides of school life, viz.: (1) habits and attitude; (2) progress in scholarship. Your earnest and constant co-operation in the home is of vital importance if these records are to have worthwhile effect upon the pupil's school career and after life.
2. Parents or guardians are respectfully requested to consult the teacher from time to time upon matters pertaining to the progress of pupils under their charge. This may be done either in writing or by personal appointment, not later than 4.00 p.m.
3. Punctual and regular attendance is absolutely necessary for progress. Bona-fide illness is the only excuse allowable, and must be attested by doctor's certificate or other written statement by parent or guardian showing definitely the cause.
4. Attention is called to the fact that absence through illness or quarantine, duly attested by doctor or school nurse, will not disqualify a pupil from receiving an Honour Roll for Regularity and Punctuality at the close of the school year.
5. This Report is to be signed by the parent or guardian and returned promptly to the teacher in charge of the division.
